REFERENCE:

DOTD Standard Specifications, Subsection 1003.06(a)(6)

NOTE 1:

Portland cement or hydrated lime used as mineral filler shall be from sources listed on QPL 7 or QPL 34, respectively.

NOTE 2:

All material, regardless of prior approval, shall be sampled in accordance with the Materials Sampling Manual and tested for conformance to the original specification. Any deviation in composition or performance from the original sample submitted may result in removal of the product from the qualified list.

No information contained in this list is to be used for promotional purposes.
